

Quantity
Latent heat flux
Sensible heat flux
Water vapor flux
Zonal momentum flux
Meridional momentum flux
Emitted longwave radiation
Direct beam visible albedo
Direct beam near-infrared albedo
Diffuse visible albedo
Diffuse near-infrared albedo
Absorbed solar radiation
Radiative temperature
Temperature at 2 meter height
Specific humidity at 2 meter height
Wind speed at 10 meter height
Snow water equivalent
Aerodynamic resistance
Friction velocity
Dust flux
Net ecosystem exchange*
